

Pathway of Hope— A Journey for Families

Do your children have a better chance than you did? Are you concerned about the basics that you need for you and your family? You can take the first step today by joining the Pathway of Hope to help you navigate the challenges to a better future. To get there, a caseworker will work with you to design a plan around your individual goals, needs and strengths.

*There's never been a better day
to take the first step.*

*With The Salvation Army's
Pathway of Hope,
a better future is possible.*

DOING THE MOST GOOD

*When you think of the future,
what do you see?*

PATHWAY of **HOPE**

PATHWAY OF HOPE

Who can join?

You're eligible if:

- You have at least one child under the age of 18.
- You're ready to take action!

What will it involve?

Caring today for your family's needs, while building a strong future can be challenging. The Salvation Army team will walk alongside you on your family's journey:

1) Mapping it out

Meet with a caseworker to develop your personalized action plan.

2) Staying on track

Chart your progress and see your success with your dedicated case worker on a regular basis.

3) Passing the six month mile marker

See where you are at six months and decide what's next on your journey.

4) Looking ahead

Celebrate your successes. Adjust any further goals. Encourage others.
